SUMMARY

Fresh Computer Science graduate (Universitas Djuanda Bogor, GPA 3.91) with hands-on experience building web interfaces using HTML, CSS, Tailwind CSS, and Laravel (Blade), from requirements gathering and UI/UX design through implementation. Comfortable creating clean, well-structured, and responsive layouts, with direct experience collaborating with an industry partner on a web-based information system. A fast learner, communicative, and ready to contribute as a Junior Frontend Developer.

SKILLS

Hard Skill: HTML, CSS, Tailwind CSS, JavaScript (basic), Laravel (Blade), Git (basic), MySQL (basic), UI/UX Design, Responsive Web Design

Soft Skill: Problem solving, time management, teamwork, responsibility, communication, fast adaptability

PROJECT EXPERIENCE

Art House, Web Developer & UI/UX Designer

Oct 2025 – May 2026

Final Year Project, Collaboration with CV. Sindikasi Artistik Indonesia (Sindikart)

- Designed and developed the interface of a web-based crew and film project management information system using HTML, CSS, Tailwind CSS, and Laravel (Blade), from requirements gathering and UI/UX design through implementation.
- Simplified project tracking and crew allocation into a centralized, easy-to-use digital dashboard.

BM Mart & Pakan Pintar, UI/UX Designer and Mobile Developer (Flutter)

Aug – Dec 2025

Coursework Project and Community Service Program (KKN)

- Designed the mobile app interface for product catalog, customer points, and livestock feeding schedule features, with a focus on ease of use.
- Structured a simple and consistent app navigation flow to make it easy for new users to understand.

WORK & INTERNSHIP EXPERIENCE

Finance Data Entry Intern, CV. Sindikasi Artistik Indonesia (Sindikart)

Jul – Aug 2024

- Recorded and entered daily transaction data into the financial administration system.
- Maintained data accuracy and neatness, along with supporting document filing for transactions.

Retail Store Assistant, Family Business

2019 – 2026

- Served customers directly and handled complaints, providing quick and friendly solutions.
- Managed and arranged products, including stock recording and efficient packaging.

ORGANIZATIONAL EXPERIENCE

Member, Student Networking and Collaboration Division (NETKOM), Student Executive Board (BEM) of the Faculty of Computer Science

2023 – 2024

- Carried out public relations functions for the division, bridging communication between students, lecturers, and the faculty, including for programs such as LDKM (Basic Leadership Training).

Member, Sports Division, Computer Science Student Association (HIMASTER)

2022 – 2023

- Appointed to the Consumption Division for the Vivace Futsal FISIPKOM UNIDA 2023 committee, coordinating consumption logistics for participants and committee members to ensure timely availability.

EDUCATION

Universitas Djuanda Bogor
